GLOBAL LOGISTICS FORUM

FACTSHEET

Hosted by:

وزارة النقل والخدمات اللوجستية
Ministry of Transport and Logistic Services

Under the patronage of the Custodian of the Two
Holy Mosques, King Salman bin Abdulaziz Al Saud

RESHAPING THE GLOBAL MAP OF LOGISTICS

Envisioning a new global map of logistics to enhance supply chains and trade, the Global Logistics Forum will convene global ecosystem partners to spur efficiency, resilience, sustainability and profitability boosting prosperity for all in a globalized world.

Against a backdrop of international tensions, economic instability, disrupted supply chains, trade and climate change, logistics finds itself at a critical junction. With entire industries and societies depending on the seamless efficiency of the sector, the time has come to collaborate and build a more resilient, sustainable future for global trade.

ABOUT:

Hosted by the Ministry of Transport and Logistic Services of the Kingdom of Saudi Arabia, under the patronage of the Custodian of the Two Holy Mosques, King Salman bin Abdulaziz Al Saud, the Global Logistics Forum will offer a global perspective of the industry, while looking to the initiatives and innovations seeing the Kingdom emerge at the heart of trade and supply chain connectivity.

GLF VISION:

The Global Logistics Forum aims to reshape the global trade map, blazing a trail for prosperity across continents.

GLF MISSION:

The Global Logistics Forum is a disruptive force, reimagining the global freight landscape by harnessing the collective power of stakeholders. This transformational platform will be instrumental in shaping a new sector roadmap, unlocking unprecedented economic and societal opportunities and moving with determination from ideas to implementation.

EVENT PILLARS
